Hello New Families and Returning Families,

We are all looking forward to another creative, educational and fun season with all our talented students. We did it last year and we can do it again!

Please note that we will be following all CDC safety recommendations.

We are keeping all classes in sessions (6weeks) as we did last year. If students plan to participate in any of our productions/recitals they will be required to attend more than one session so they can learn all the choreography/script. Performance opportunities are always optional.

Class videos and photos can be viewed on our private FB page "What's the Scoop", Please request to join at <https://www.facebook.com/groups/1618579795094139/>

CLASS UNIFORMS- When you order from our online shop from our website you will receive a credit (10% of total purchase) to use towards your account. [www.backstageashland.com](http://www.backstageashland.com)

We are hoping this year we will be able to bring back some of our fun activities; Movie Nights, Theater Trips and Special Events!

Please let us know if you have any questions throughout out the season and once again...WELCOME!

Happy Dancing,
